03	**TIMELINE**	**DAY 3** Review
		DAY 5 Final submission and recommendation presentation

Workflow

1. Confirm the missing business and release inputs with the relevant company stakeholders.
2. Complete only the files inside **Results Templates**.
3. Attend the Day 3 review.
4. Return the completed results and present the recommendation on Day 5.

IMPORTANT
Do not edit the reference documents.

If a MINIS-specific technical detail is missing, contact the MINIS Backend Owner instead of assuming. Use official documentation and official pricing for claims that may change, and clearly label assumptions.

Do not place credentials, API keys, tokens, private keys, service-account files, or other secrets inside this folder.
